This ledger, herein transcribed, belonged to L.J. Wilson of Princess Anne, Maryland and was named by him "Leger B." It came to the Nabb Research Center as part of the Wicomico Historical Society collection. The original ledger is now in our ledger collection 2006.313.

While not describing the items purchased, the ledger contains the names of purchasers and the amounts of the debits and cash credits received. The dates on the ledger run from June 1880 through June 1883. An index of the debtors shown in the ledger has been created and included in this printing, so that the researcher may more easily find the names of people who did business in the Princess Anne area.

It appears that Levin James Wilson was a successful businessman raising his family and doing business most of his adult life in Princess Anne. According to the 1920 census, he was born in February 1844 and in 1920 he was living on Beechwood Street in Princess Anne. Again, according to the census records, his occupation in 1880 and 1910 respectively show "general store" and "retail dry goods merchant." In the 1880 census, the period that this ledger covers, there are a cook and domestic servant living in his household, attesting to his success as a businessman. Since no occupation is shown in the 1920 census, he may have retired from active employment by that time. He is also listed, at age 86, in the 1930 census.
